We are trying to establish an honor band and honor choir for the first time in this athletic conference. I am sure that we will have bumps in the road on Tuesday. I hope that our efforts can make this better. Mrs. Butcher and I have spent hours and hours trying to make this a good experience for everyone. I look at it as a way for us to pay it forward for the great program we are so fortunate to have here for choir and band.

Mr. Wetmore and Mrs. Butcher

Please detach and return by Monday, October 31, 2011
